Intimate Network Gatherings

September 21, 2016 6:30 to 8:30 PM Cost: Free

Outside by the Fireplace **Panera Bread, Bedford, NH**

Topic: **Legally Yours**

How LegalShield and IDShield can change your life for the better

Please join us for an Intimate Network Gathering, featuring IPPW member *Susan Barry*. Our plan is to form new relationships and strengthen old ones as we learn more about this fantastic company who is helping 37,000 businesses and individuals every day leave legal worries behind.

Bring your business cards and questions as we sit around the fire and learn more about how this organization can help us in business or day to day life, as we network and build relationships. Even if you already have their service, come and learn new ways to put this product to use. First ten people who preregister will receive a complimentary Panera Bread beverage... come to the Fireplace to get your cup. Register at IPPW.org/ e-mail Debby@DebbyAdair.com or call Debby at 603-731-0116.

Susan Barry is a serial entrepreneur whose goal is to help people connect, live better lives and leave worry behind. She is amazing. Come for an evening around the fire – to build relationships and leave your problems behind. You'll be glad you did.
